The UK's No 1 Maintenance & Facilities Software Producer

023 8022 4111

Shire Systems Ltd is committed to continual improvement in our environmental performance, and minimising adverse environmental impacts where reasonably practicable.

We demonstrate our commitment by:

- Reviewing and understanding the range of environmental impacts arising from our activities
- Ensuring that we comply with all applicable UK, European and international environmental legislation
- Developing green travel plans by encouraging staff to adopt greener travel practices.
- Minimising the use of toxic and environmentally damaging materials and preventing the release of pollutants
- Minimising the generation of waste and implementing recycling initiatives
- Ensuring that the policy is understood, implemented and maintained at all levels within the organisation.
